WELCOME TO AURADON

Welcome to the United States of Auradon, a beautiful country made up of many legendary kingdoms. The capital is Auradon City—the place to be in the land of ever after. It's where a young prince, now a king, invited four kids (VKs) from the Isle of the Lost to attend school with Auradon kids (AKs) and prove they could fit in. They did. In fact, they fit in so well that King Ben agreed to welcome four new VKs to Auradon Prep.

Now that Mal, Evie, and Jay have graduated (Carlos still has his senior year ahead), the future looks promising for all four VKs. Mal has found true love with King Ben and made it her job to protect her new home of Auradon, Evie is running a successful designer clothing line, Jay is heading to college, and Carlos (along with his best friend, Dude) looks forward to enjoying senior year with his girlfriend, Jane. Will you fit in at Auradon Prep? Step into its hallowed halls, where the descendants of famous fairy-tale heroes and villains attend school together. Meet the students (including newcomers Dizzy, Celia, Squeaky, and Squirmy), decorate your dorm room, design wicked outfits, and feel like you're a member of the Auradon student body.

You'll be ...

- designing outfits;
- coloring designs and creating your own wickedly awesome doodles;
- solving puzzles, playing games, and even making origami;
- drawing or painting on pages, gluing things, cutting things out ... you get the idea.

This is **YOUR** book, made just for you.

ARE YOU AN AK OR A VK?

At first, the VKs found that fitting in with the Auradon kids wasn't as easy as they'd thought it would be. No wonder. AKs are cheerful and kind, and they love doing good deeds. VKs aren't taught to be like that at all. They're rotten and evil, and they love getting into mischief.

So how about you? Are you more like an AK or a VK? Answer the questions to find out!

MEET MAL

DAUGHTER OF MALEFICENT

Leader of the VKs

Magical Power: Can transform into a purple dragon

Special Talent: Graffiti artist

Most Likely To: Become queen

RIDING IN STYLE

Mal zips around Auradon City on this purple scooter King Ben gave her. Use stickers to decorate it any way you like.

BEWARE, FORSWEAR . . .

Magic is frowned upon in Auradon, but Mal has never been one to play by the rules. She no longer relies on her spell book for incantations, but the daughter of Maleficent has been known to cast an occasional spell, especially when it's needed to keep Auradon and the people she loves safe.

This puzzle contains twelve words, all of which have something to do with magic. They can be found running across, up, down, diagonally, and even backward! Circle each word you find. When you're done, jot down the blue letters that appear inside circled words and unscramble them on the next page. Get it right and you'll be chillin' like a villain!

PAPER DRAGON

Mal feels responsible for protecting Auradon and the people she loves. When evil comes to town, she transforms into a giant purple dragon to battle villains and keep her home safe. For a little dragon-inspired crafting, make one of these origami dragon heads!

TIP: Press your creases down flat.

Follow these steps:

1. Fold a square sheet of craft paper in half in two directions.
2. Fold in half in two other directions.
3. Fold the two side corners down to the bottom, then fold the top corner down, too.
4. Fold the bottom corner of the top flap up.
5. Fold the two outside corners into the middle.
6. Fold the top corner down.
7. Turn over the paper. Repeat steps 4, 5, and 6.
8. To open the dragon's head, pull it gently from the sides.

Decorate the head with markers, paint, feathers, glitter, and other art supplies!

MEET EVIE

VKs to Auradon Prep

Brought from the Isle:
Her mother's magic mirror

Most Likely To: Run a fashion empire

ACCESSORY DESIGNER

Use stickers to help Evie transform this basic handbag into a wickedly cool designer purse.

WICKEDLY GOOD WARDROBE

Evie wants something new to wear on her next date with Doug. She's so busy designing dresses for her Evie's 4 Hearts fashion line that she doesn't have time to work on an outfit for herself!

Evie likes to be girly but adds fashionable edginess to her outfits with graffiti-inspired colors, leather accents, and metal studs. Design a new look for Evie that fits her style, and include every detail: even nail polish can make a big difference to an outfit.

MEET JAY

SON OF JAFAR

Star athlete of Auradon Prep's
tourney and swords and
shields teams

Villainous Traits Used for Good:
Agility and sleight of hand
(learned as a thief) to win on
the tourney field

Signature Accessory: Knit beanie

Most Likely To: Play college sports

LOCKER DECORATOR

Jay's locker needs some decorating. Use stickers to make his plain locker wickedly cool.

ESCAPE FROM THE ISLE OF THE LOST

When Mal, Evie, Ben, Carlos, and Jay go to the Isle of the Lost to pick up the new VKs, Jay is in the driver's seat. Now that they've picked up Dizzy, Celia, Squeaky, and Squirmy, help Jay navigate the Auradon limo safely off the Isle.

A complex maze with a green path leading to the word 'FINISH' at the bottom left. The maze is drawn with black lines on a white background. The green path starts at the top left, goes down, then right, then down again, and finally right to reach the word 'FINISH'.

A purple limousine with a small American flag on the front.

MEET CARLOS

SON OF CRUELLA DE VIL

Once afraid of dogs, and now an aspiring vet

Favorite Food: Chocolate

Special Talent: Tech-savvy computer guru

Most Likely To: Rescue a dozen dogs

THE PERFECT PRESENT

Carlos is excited about giving his girlfriend, Jane, her birthday gift. Help him decorate the gift box using stickers, markers, or whatever you'd like.

OVERCOMING YOUR FEARS

When Carlos lived on the Isle, he was afraid of a lot of things: his mom, talking to girls, and especially dogs! But once he got to Auradon and met Dude, he realized his mom had exaggerated, and he figured out that dogs aren't so bad after all. With Jay's help, he found a way to talk to girls—make that Jane. However, he admits he's still a little afraid to tell his mom he wants to become a vet.

What about you? Have you ever been afraid of something? Make a list of ways to conquer your fears!

CARLOS OVERCAME HIS FEARS BY ...

- * listening to his instincts,
- * getting advice from trusted friends, and
- * being himself!

MEET DIZZY

DAUGHTER OF DRIZELLA AND
GRANDDAUGHTER OF LADY TREMAINE

Talented hairstylist and designer

Before Coming to Auradon: Worked at
the Curl Up and Dye salon

Moment That Changed Everything:
Seeing her headpiece
designs for Cotillion on TV

Most Likely To: Follow in
Evie's footsteps

DARING HAIR

Dizzy's hair accessories are super creative. Design your own awesome headpiece using the stickers in this book!

Use the tiara as a base to create a wickedly cool hair accessory that is stylish and showcases your creativity. If you're at all like Dizzy, the wilder the better!

PERFECT PURPLE PIGMENT

When Mal desperately needs a touch-up on her signature purple tresses, she trusts no one more than Dizzy. After all, Dizzy essentially ran her grandmother's beauty salon, Curl Up and Dye, on the Isle, and she came up with Evie's crown braids. Mal is on her way to see Dizzy, and Dizzy can't find the perfect purple pigment! Can you help her?

Dizzy does remember that . . .

- the correct jar is above a jar with no lid.
- the correct jar is between a jar with red hair dye and a tall jar.
- the correct jar does not have a cloth top.

NAILED IT!

What's your favorite look for your nails? Dizzy paints each of her nails a different color or pattern. Jane and Audrey stick with pink. Evie and Mal go for fashionably evil with dark purple, magenta, or black.

Try out some new ideas here. Sketch patterns on the nails to the right and use markers to fill them in. Then try them for real!

IF YOU NEED SOME INSPIRATION, YOU CAN TAKE CUES FROM THESE PATTERNS!
JUST ADD COLOR.

DIZZY'S PAINTED NAILS GAME

Help Dizzy come up with some wild nail polish combinations by playing this game. Gather some friends and try it out.

1. Photocopy the game board and arrow on stiff paper.
2. Use colorful markers to decorate the game board. You can also write game play directions in some of the squares, like Spin Again; Paint 2 Nails; Choose Your Color; Paint 1 Nail on Your Friend.
3. Cut out the arrow and attach it to the center of the board with a paper fastener.
4. Place different colors of nail polish on each dot.
5. To play, take turns spinning the arrow. Paint the color it points to on one nail. Keep going until all fingernails and toenails are painted!

TIP: Best for two to four players.

MEET CELIA

DAUGHTER OF DR. FACILIER

Sassy, fearless daddy's girl
enjoying the journey

Special Skill: Fortune-telling

Side Hustle: Errand rat
for Hades

Most Likely To: Tell you what
she's really thinking

BLING COLLECTOR

Celia has been admiring the way Auradon girls add bling to their fashions. Use stickers to stock Celia's jewelry box with the latest accessories you think she'd like.

WHAT'S IN THE CARDS?

Celia uses her fortune cards to read the future. Will you meet a handsome prince? Does an adventurous journey lie ahead? Your future may be in her cards.

Create a new fortune card for Celia's deck. It can be a card that predicts a future you dream of, one that foreshadows a mischievous event, or whatever you want!

MEET SQUEAKY AND SQUIRMY

TWIN SONS OF SPIEE

Shy, quiet brothers determined
to change their destiny

Who's Older: Squeaky, by
four minutes

What They Won't Miss About
the Isle: Pirates

Most Likely To: Always
stick together

REUNITE THE TWINS

Squeaky and Squirmy don't like to be apart for very long. Help them find their way back to each other.

WHO YOU ARE IS WHO YOU NEED TO BE

Squeaky and Squirmy didn't exactly fit in at the Isle of the Lost's docks. Their father, Smee, knew they could have a better life in Auradon, so he encouraged them to apply to Auradon Prep, where they could succeed by just being themselves.

Make a collage of your favorite things and display it in your personal space to remind you to stay positive and true to yourself, because being different and standing out is way more fun than blending in!

1. Gather pictures of things that make you smile or remind you of a good time. You can use a combination of photos, cutouts from magazines, objects, fabric, stickers, markers, and paint ... whatever inspires you.
2. Need some ideas? How about including your friends, family, pets, vacation pictures, and favorite foods, colors, toys, and movies?
3. Consider adding slips of paper with inspiring words or sayings, like Follow Your Dreams; Be Good, Be Brave, Be Free; Rise Up and Shine; Who You Are Is Who You Need to Be; Good Is the New Bad; Happily Ever After with a Little Flavor!
4. Arrange everything on a poster board in a creative pattern. Don't be afraid to overlap and put things at different angles.
5. Use all-purpose glue to hold it all together, and let it dry for several hours before hanging it up.
6. If you want, frame your collage for a really finished look.

TIP:

If you do use a frame, make sure you cut your poster board to fit before you start assembling your collage.

Here are some sayings to get you started! Photocopy this page before coloring them. Cut them out and use them in your collage!

AKs, like Audrey, have always been taught to set goals that will help them achieve their dreams.

What are your goals? What do you do each day to reach them? A daily journal can help you stay on track. Write out your goals here, separating them into *immediate goals* and *long-term goals*. Put each list in order from most important to least important.

Think about starting a journal to track your progress and collect keepsakes. If you already have one, keep going!

If you circled mostly As:
You'd wear purple all the time if you could, and you know the power of magic. Sometimes you have a hard time fitting in, but like Mal, you're lucky to have friends who remind you you're perfect just the way you are.

If you circled mostly Bs:
You love to be the center of attention, and you love to be the first to start. If anyone takes your power, you send them flying back you up like a rocket around your waist. The best use of your magic to read?

If you circled mostly Cs:
You know that a great outfit can brighten any day, and you enjoy designing your own clothes. You're independent and a loyal friend—just like Evie.

If you circled mostly Ds:
Your creative energy is always leading you to make crazy and wild things—with fun, color, and plenty of style. You're never afraid to try something new and bold. But still, here, you dream of a bigger and better place.

WHAT DEFINES YOU?

Many of the Descendants have iconic elements that show up in their clothing to represent their families or personalities: Ben's crown and ring feature the Beast; Mal's clothes sometimes incorporate dragon-inspired patterns; Evie's clothes have hearts sewn on them to represent her business; and Uma's outfits are turquoise and pirate-like to remind her of the ocean.

Design a symbol that defines you! Get inspiration from the talents and interests you and your family have. Do you love music? Maybe you want to use a treble clef. Into sports? How about including a soccer ball? Celebrate what you're passionate about!

Take it one step further and put your designed symbol on a large poster or a banner made of a piece of thick light-colored material. Hang it in your locker or on your bedroom wall—with an adult's help, of course!

HOW WELL DO YOU KNOW THE AKS AND THE VKs?

DESIGN YOUR OUTFITS

From going to class and hanging out with friends to attending sporting events and formal dances, there are so many fun activities and events at Auradon Prep. But what will you wear? THE MAGIC IS IN THE DETAILS

Uma's shell necklace, which came straight from her mom, Ursula, has magical powers outside the barrier. Hades has a magical ember, which he let Mal use to defeat villains in Auradon. How would you design a magical accessory of your own? Draw your ideas in the space provided. Will it have jewels? Secret compartments? Is it surprisingly simple, or is it outrageous? What powers does it have—and more important, how would you use it?

You can use markers or paints. Take it further by gluing on random items, like an old key, a coin, a pebble, a ring, or a feather, as if they were charms. Get creative.

FAMILY AND FRIENDSHIPS

Once they got to Auradon, the VKs realized they had to stick together and formed a family-like bond.

What does your friendship tree look like? Fill in the blanks and glue in mini photos of you and your friends wherever you can.

Use scrapbooking supplies, like colored or patterned paper, stickers, lace, ribbon, buttons, and dried flowers, to decorate the page.

AURADON GOES ISLE

Now that VKs are part of the Auradon Prep student body, how would you update the school crest? Create a new crest that represents both Auradon and the Isle, mixing colors and styles to celebrate all that Auradon Prep stands for!
